LETTER OF COMPLIANCE
FOR
LETTER OF DEFICIENCY
No. WMD 03-36

Attn: Mr. Jim Stephens, President

Re: Green Mountain Rifle Barrel Co. Inc.
153 W. Main Street
Conway, New Hampshire 03818
EPA ID # NHD500012802

Dear Mr. Stephens:

On July 15, 2003, the Department of Environmental Services, Waste Management Division ("DES") conducted an inspection of Green Mountain Rifle Barrel Co. Inc. ("Green Mountain"). The purpose of the inspection was to determine Green Mountain's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, Green Mountain was issued Letter of Deficiency No. WMD 03-36 (the "LoD"). Based upon a review of Green Mountain's submittals, DES has determined that your facility has corrected the deficiencies identified in the LoD.

Please be advised that DES will continue to monitor Green Mountain's compliance status through record reviews and on-site inspections.

This Letter of Compliance does not release Green Mountain from liability for penalties to which it may be subject for the deficiencies identified in the LoD.

If you have any questions regarding this letter, please contact the lead inspector, Jessica Cajigas or John J Duclos, Supervisor of the Hazardous Waste Compliance Section at (603) 271-2942. Thank you for your cooperation.

Sincerely,
